

## **NEW HOME CONSTRUCTION**

Construction Loans are loans to build a property or new home. Home improvement is another possible reason to take out this type of loan. Whether you own a plot of land and wish to have a construction loan to build a new house or simply wish to make home improvements please apply for a quotation below.

We have partnered with some of the largest and most competitive construction lenders to offer you a customized owner-builder loan program, as well as some other great builder programs.

Some features include:

- Construction-to-Permanent loan program
- 100% construction financing
- One closing - one set of fees
- Zero point loans
- Rate Protection
- Quick loan approval
- No payments during construction
- FICO scores as low as 530 may qualify
